GENERAL INFORMATION: Vendor booths will be located as follows: Arts, Crafts & Information on Xenia Ave., Corry St. and Short St.; Food on Walnut St. The Beer Garden & Music Festival will be in front of the Bryan Center. If your booth space from last year is not available, we will do our best to accommodate your request for a new location. Each year we review all booth space applications, judging based on quality, uniqueness, and craft category, which means **not all applications received are accepted.**

Sales Tax: The sales tax rate for Greene County Ohio is 6.5%, you are responsible for registering your small business with the IRS and collecting sales tax for the items you're selling. When tax time comes around, you'll have to pay income tax on all the items you sold and pay the sales tax to the state where the fair is held. We recommend that you call the Ohio Department of Revenue for more info: (888) 405-4039

FEES: The vendor fee structure differentiates between local and non-local vendors. To be considered a local vendor, you **MUST** have a local physical business or resident address with a Yellow Springs' or Clifton business location or mailing address (45387 or 45316); a **post office box does not qualify** (no exceptions). If you are a local resident representing a group with an out of town location, you will not qualify for local rates. The reduced non-profit rate is for one booth only. The \$10 Chamber discount is for one booth for Yellow Springs Chamber Members only. Checks will be deposited upon acceptance of the application. **For insufficient fund checks, payment, including a \$25 fee, must be made in cash within 3 days of notification to maintain vendor space.**

** Miami Township Fire-Rescue is the lead agency involved in preparing the required emergency action plan for Street Fair. In Addition, fire-rescue personnel are required to inspect each food vendor, and the Township provides 20-25 staff throughout the event who serves in a variety of roles. Vendors must provide their own canopy, tables, chairs, etc. All canopies must be fire retardant and secured to withstand heavy winds.
